## OUR VISION

Our vision is to become one of the leading fashion brands In Africa by 2025 by empowering innovation and design to provide utmost customer satisfaction and compelling shopping experience.

## OUR MISSION

- The company's mission is to offer stylish and exclusive clothing and accessories and to solve people's fashion problems.
- To innovate and to stay ahead of fashion trends, market changes and latest technology
- To enhance quality of life for our customers and employees.

# WHO WE ARE

“ Miss Jay Clothing is a high-end clothing manufacturing company established in 2010 and formerly registered in 2015. We own a ready-to-wear manufacturing company under the name of **Jay-R Textile Co.** which is currently dedicated in manufacturing of **Protective clothing & JTE** tails fabrics and we also own our Printing company called **Miss Jay Printing** for our In-house-Printing Services. We have always been committed to providing our customers with the highest quality Fabrics and Garments for more than (5) five years. ”

## WHAT WE DO

“ We **Manufacture** garments of all types, from ladies to kids: haute couture, wedding gowns, t-shirts, tunics, cardigans, tank top & Short-sleeve Blouses . We also manufacture dresses, Skirts, Sheath dresses, pants, cooperate clothing and workwear.

Since the outbreak of **Covid 19** we have expanded our services by manufacturing Personal Protective Clothing (ie ,masks,coveralls, aprons etc). ”

# WHAT WE OFFER

“We guarantee the highest quality standard and timely delivery for all customer’s needs. With our strengths, as listed below, we provide many advantages over competitors in the textile Manufacturing Industry.

The Well- established workflow from designing to garment manufacturing. We already sell fabrics and we are able to supply both ready to wear and tailored outfits manufacturing facilities on time enabling a short delivery period. Our printing unit is also of great convenience where printing is required. We have business relationship with some **30 textile manufacturers** abroad and some **20 sewing factories** locally in cases where we need to outsource resources and procure large volumes of raw material.

# OUR VALUES

-To continue to establish and strengthen long term and mutually beneficial relationship with our customers, business associates and suppliers.

-To ensure we identify and expand our investments portfolio in order to continue the on-going sustainable growth and success of the company.

-To maximise our economic potential across all the stream of involvement, t

through the expertise of the company's management and personal structure.

-In order to enhance our position as Garments Manufacturer Industry leaders, we are primarily focused on continuing to deliver the finest and wide range of services locally and abroad.

-While ensuring to remain economically competitive, we constantly search opportunistic investments to provide our customers with a bespoke service and access and to an increasing product range, that in turn will maximise returns.
